

CALDWELL COUNTY APPRAISAL DISTRICT LOCAL ANNUAL REPORT 2022

Caldwell County Appraisal District Mission Statement

We are required by State Law to provide property tax appraisals that are equal, uniform, and at market value. The State Comptroller Tax Division monitors and conducts reviews of our appraisal standards to make sure we adhere to State Law. What this means for the average property owner is that any increase or decrease in the valuation of a property is part of our effort to adhere to State Law. This will be accomplished by maintaining the highest standards in appraisal practices and lay by developing personnel who are professional and knowledgeable and operate under the stands of:

- The Property Tax Assistance Division of the Texas Comptroller's Office (PTAD)
- The International Association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

The Appraisal District does not set tax rates. These tax rates are set by each of the individual taxing entities of Caldwell County. Lists of these entities are available upon request or can be found on our website.

The responsibility of the Agricultural Advisory Board is to advise the Chief Appraiser on the valuation and use of land that may be designated for open-space agricultural valuation within the district's boundaries and to assist in determining typical practices and standards used in various farming operations.

PTAD REVIEWS

Appraisal practices are governed by the Texas Property Tax Code and rules established by the Texas Comptroller of Public Accounts. The Property Tax Assistance Division conducts a Property Value Study and a Methods and Assistance Program review in alternating years. Results of both reviews are available on the Comptroller’s website.

The Property Value Study is conducted by the State Comptroller’s Office to estimate the taxable property value in each school district to measure the performance of Appraisal Districts. If the Appraisal District is within a 5% percent margin the State Comptroller will certify the local value to the Commissioner of Education. The findings of the study are used in the school funding formula for state aid. Caldwell CAD has received local value for Caldwell and all other entities.
