The property owner must state on the application that the owner is not claiming a residence homestead exemption on another property in or outside Texas. \*\* Tax Freeze only applies to Over 65 and Disabled Person exemptions.

\*\* Disabled Person exemption requires an original letter from the Social Security Administration showing proof of disability and the date the person qualified for the benefits.

\*\* Disabled Veteran exemption requires an original letter from the Veterans Administration showing the percentage of disability for the qualifying person.

\*\* **Disabled Veterans--Residence Homestead**

A disabled veteran who receives from the United States Department of Veterans Affairs or its successor 100 percent disability compensation due to a service connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead.
